Welcome to *Argos*

Welcome to the famous Argos catalogue. We've compiled this catalogue with you in mind, to offer you a great way of shopping for a huge range of quality products, at prices you'll find hard to beat.

The Argos secret is simple. We have developed a way of shopping, designed around you and for you. So all you need to do is browse through our catalogue at your leisure, and select exactly what you want – Argos really does take care of it.

But this is only the start. Our buyers are committed to obtaining only the best and, if any product does not meet our Safety and Quality standards, it does not get into our catalogue. For

your complete peace of mind, we support our commitment to quality with comprehensive guarantees and a first class after sales service.

To give you, our customer, the best, we also have a host of services to make your shopping even simpler and more enjoyable. These include – free home delivery (on selected

items), and Extended Product Guarantees, and both reinforce our commitment to giving you a better service.

So, if you're looking for a huge range of quality goods and services at competitive prices – and a way of shopping which is designed around you – Argos takes care of it.

Ordering

Making your purchase is simple. Once you have looked through the catalogue and made your choice, take a selection form (there are some included in this catalogue as well as in store) and fill in the catalogue number and the quantity of the goods you require. Then take the form to a service point. Whilst you are paying, your goods will be collected from our stockroom and brought to the collection counter ready for you to pick up.

Ways to Pay

You can pay for your purchase with any one of the credit cards shown, with cash or by the new electronic debit card, SWITCH. You can also pay by cheque and, unlike many retailers, if you have a valid cheque card, we'll give you immediate clearance on cheques up to £500 (subject to status).

Argos Personal Account

Open an Argos Personal Account and you can:

- have up to £1000 instant credit with no deposit*
- purchase items when you want them.
- spread the cost to suit yourself.

It works like this:

You decide how much you want to spend each month and we will then give you up to 24 times that amount as a total credit limit*.

The table below gives some examples.

Monthly Repayment	Instant Credit of
£5	£120
£10	£240
£20	£480
£40	£960

*acceptance is subject to status.

If you are over 18, just fill in an application form and hand it to one of our sales assistants, or post it to the address shown. When your application has been accepted*, you will receive your Personal Account Card. You will also receive regular advance notice of promotions and offers we're running.

Interest of 2.52% will be charged on the outstanding balance of your account each month. This means that an Annual Percentage Rate (APR) of 34.8% is charged if you pay through Bankers Order (Direct Debit)/ National Giro Order. eg if you purchase a Toshiba 14" Teletext colour television (catalogue price £219.99) you will make 31 repayments of £10 each and 1 repayment of £2.62. The total amount payable will therefore be £312.62.

(This assumes the APR remains constant over the period of repayments).

Interest rates quoted are correct as at 1st April 1990 but may vary. A leaflet containing current interest rates and full credit details is available from any Argos store.

Applicants must be 18 years of age or over.

Written details are available on request.

Free home delivery on selected items

Where you see this symbol against a product we will deliver the item FREE, direct to your door – anywhere in the UK, including Northern Ireland. – (As these items are generally big and bulky they are not available for collection from our stores).

You can order from any of our stores or you can phone our FREE LINKLINE ORDERING NUMBER.

Simply call 0800 700 910 to place your order using any of the major credit cards shown on this page. You can call 24 hours a day, 7 days a week giving your name, address, telephone number and credit card details, along with the catalogue number and description of the item you wish to purchase.

Whether you order these selected lines from home or from an Argos store, delivery will normally be made

within 14 days. (Unless otherwise indicated in the description of the item or at the time of ordering). Please remember that to ensure delivery before Christmas you need to place your order before 1st December 1990.

Please note: This Linkline number can only be used for placing orders.

Quality and Safety

Quality

We want you, our Customer, to have total confidence that every item you purchase from Argos is SAFE, RELIABLE and of the highest QUALITY. We have therefore developed a large Quality Control team, fully dedicated to fulfilling such requirements and we believe that the time and care we take on Quality Control is the envy of other retailers.

In many cases, we even undertake to have the products we sell tested by independent test laboratories. We also carry out random inspection of deliveries to our warehouses on a regular basis, and the performance of all our products and suppliers is monitored continuously.

Safety

All our goods, especially nursery and toy products, are subject to strict safety regulations and we take every

care to ensure that all our products are safe. Coupled with this care and commitment is our policy to select and stock top quality brand names, that you can trust. So you see Argos really does take care of it.

Safety Accessories

Apart from ensuring the quality and safety of the products we sell, we also stock accessories to ensure your safety when using certain products. For instance we sell circuit breakers to use with electrical products as well as protective kits for use with DIY and gardening equipment. In order to care for your home and children we also sell a variety of safety devices for use around the house ranging from smoke detectors and automatic outside lights to child safety products.

The Lion Mark is a symbol of toy safety and all Argos toys are tested for compliance with exactly the same approved safety standard.

The "CE" mark is part of a campaign by the EEC to improve safety standards across Europe and has been used by toy manufacturers since the start of the year.

The Argos Promise

The following guarantees do not affect your statutory rights.

If you change your mind and decide that a product you have bought does not meet your exact requirements we offer you the opportunity of returning it within 16 days of purchase, for a full refund or exchange.

We simply ask that it is returned in its original and unspoilt condition, with its original wrapping and your

receipt. Please note this promise does not apply to earrings for pierced ears.

After sales care

Making sure that you are happy with your purchases, both when you buy them, and when you have taken them home, is very important to us.

If a product develops a fault, simply return it within 30 days of purchase and we will offer you an exchange or a full refund. If a fault develops and the product is returned to a store more than 30 days after purchase but

within the manufacturer's guarantee period, we will provide a free-of-charge repair facility. And don't forget that we can arrange to have many electrical appliances serviced in your home so, if there is a problem, let Argos take care of it.

3 and 5 Year Extended Guarantees

To reinforce the Argos policy of selling high quality products at superb prices we are offering an Extended Guarantee scheme. This gives you the extra reassurance of knowing that you have safe guarded yourself against possible repair costs after the manufacturers guarantee has expired, and that expert help is always available.

For a modest single payment we can arrange insurance cover for you, for up to a total of 3 or 5 years after you have made your purchase.

Our guarantees (which are arranged through Cornhill Insurance) are available on a wide range of products – from microwaves to televisions and from midi systems to cameras.

So when you're choosing your purchase, why not protect yourself for the future and for that extra peace of mind, take out an Argos Extended Guarantee.

Pick up a leaflet in-store for details.

Argos Gift Vouchers

If you want to take care of a Birthday, Christmas or any other special occasion, an Argos Gift Voucher could be the answer. Please note that, unfortunately, we cannot exchange Gift Vouchers for cash.

ELIZABETH DUKE

Elizabeth Duke has built its reputation upon selling quality jewellery at prices that are hard to believe. Our exciting selection for 1990 is now even bigger, with many new lines.

You will find jewellery and watches for every occasion: for him, for her, for fun and of course, for yourself. Furthermore when making that important purchase, our staff will be there, ready and willing to help.

Our service to you however, does not end there - every piece of jewellery is gift boxed and guaranteed for one year against any manufacturing defect, together of course with the Argos promise - a 16-day money back guarantee (except for earrings for pierced ears), offering even further peace of mind. In addition, a valuation certificate is available upon request.

So, enjoy choosing from our dazzling range of gold, gems and watches. We feel sure you'll find it hard to resist.

THE DUCHESS COLLECTION

THE DUCHESS COLLECTION

This 18 carat and 9 carat gold collection of jewellery has been handcrafted to give classical elegance and lasting beauty. Diamonds are extremely rare, you can discover the individual fire and abilliance of this precious gem stone in our "Duchess Collection" which has been specially selected with you in mind.

Diamonds are the traditional symbol of love, which makes them the ideal gift for someone very special.

FOUR CHARACTERISTICS TO LOOK FOR IN A DIAMOND

CUT The skill of the cut will determine its brilliance, its fire and its ultimate beauty. The most popular cut is known as the Brilliant Cut, each diamond having 58 facets to give maximum reflection and refraction of light.

CLARITY The very best diamonds are virtually free of flaws. Some diamonds have small inclusions, but most are not discernible to the naked eye.

COLOUR The highest quality diamonds are colourless acting as a pure prism to let light pass through and be broken into its myriad of rainbow colours.

CARAT A diamond's size is measured in Carats. 100 points = 1 Carat.

We offer a selection of guaranteed weight diamond rings in both our Elizabeth Duke and Duchess collections. The exact carat weight is imprinted on the inside of your ring, to guarantee the diamond size you will receive.

CEYLON BLUE
SAPPHIRE
This high quality stone is a softer
paler shade of blue than the darker
Australian sapphire. As the stone is
more transparent, light is able to
reflect and refract throughout and
thus gives the stone its attractive
light blue colour.

DEAREST

"A VICTORIAN SECRET
MESSAGE RING"

In Victorian times, a gentleman
would give this ring to a lady to
show his secret affection for her.
The coded message is deciphered
through looking at the individual
stones used in the ring.

On our Dearest
ring the message
is conveyed using
the first letter of
each of the
following stones.

CLADDAUGH
A 14th Century gold wedding ring. This charming design of clasped hands in betrothal has been used since pre-Roman times symbolising "hands in faith". The Claddaugh ring derives its name from an area in Galway, where these rings are still traditionally worn.

Half Sovereigns are minted only
by Her Majesty's Royal Mint from
22 carat gold. Each coin weighs
exactly 1/2oz and is acceptable as
legal tender.
Sovereigns and half sovereigns
are sought after by collectors
with some coins worth many
times their weight in gold. All
our jewellery is mounted in 9ct
gold.

Dual Control

Some of the double under/over blankets featured have dual controls. This enables the two sides of the bed to be at different heat levels, according to personal need.

Heat Levels

All our electric under/over blankets have 3 or more heat levels. The higher the number, the hotter the temperature.

Smoke detectors provide an early warning system setting off an alarm loud enough to waken the family. Smoke and fumes are the major causes of death in house fires with most fatalities occurring at night - and once a fire starts you could have as little as 3 minutes to escape. All Argos smoke detectors comply with the British Standard BS 5446 Part 1 and carry the "Kite Mark". Complete with all instructions, fixings and batteries necessary for use. Smoke detectors are endorsed by the Fire Authorities.

PRINTER CALCULATORS

Buy your telephones outright and only pay rental on the exchange line. All Argos telephones are fully approved for use with British Telecom systems. They plug straight into the new style BT jack-socket.

If you don't have the new style British Telecom jack-socket telephone your local BT sales office for information on how they can convert your existing connection point.

The number of telephones you can connect to a line is determined by the "Ring Equivalent Number" (REN) of each telephone you wish to connect. The maximum REN for a BT line is 4. This means for example, that a maximum of 4 telephones each with a REN of 1 could be connected to the same line.

ANSWERING MACHINES

These machines will answer your phone if you cannot answer it yourself. You need a new style BT phone socket and a nearby 13 amp mains socket. Some answering machines are combined with a telephone in a dual unit.

CORDLESS TELEPHONES

Cordless phones give you the freedom to talk using a portable handset within a 100m range of the base unit, subject to environmental conditions. Reception may not be as clear as a conventional phone and it is important to follow the manufacturer's installation instructions. The handset recharges on the base unit, therefore cordless phones require both a telephone jack socket and a 13 amp power point to be adjacent to each other. Cordless phones without battery back-up will not operate during power failure. For full details of cordless phones please refer to both text and chart.

BT Star Services
As the telephone network is modernised British Telecom is able to offer, for a rental charge, their Star Services.

Facilities available include call diversion, code calling, repeat last call, call waiting, call barring, reminder call and three-way calling.

Dual signalling, multi frequency or Touch Tone* telephones are needed to receive these services and are indicated in our chart. Star Services will become increasingly available during the next few years but contact your local BT sales office for details of when these services will be available in your area.

*Touch Tone is a trade mark of British Telecom in the UK.
